Missionary Spotlight

Jonni Sliver

Missionary to the Miriam Children's Home, Brazil

Jonni Sliver has served as a missionary with AFLC World Missions since 2011. She first felt a call to ministry in her twenties while in Israel and has worked in various ministries before coming to the Miriam Home in Campo Mourao, Brazil.

The Miriam Home was founded in 1990 when a single mother passed away in the hospital, leaving behind baby Roberto. The social workers of Campo Mourao were looking for a place for him to stay while they located his extended family. They knew about the Bible School and Seminary led by Connely and Caroline Dyrud and asked if they could take care of the boy. Seeing the need for a foster home for children in need throughout their community, the Dyruds created the Miriam Home. "In Brazil, there is no foster care system," Jonni said, "so if children need to be taken out of their home for their own protection, they go to a shelter. We are the shelter in Campo Mourao." Unlike an orphanage, the children that come to the Miriam Home are in transition for various reasons. Sometimes it is just a place to stay while a single mother is in the hospital, other times the children are waiting for a new adopted family.
